Le informazioni contenute nel presente catalogo potrebbero risultare imprecise a causa delle possibili modifiche tecniche apportate successivamente alla stampa.
Il costruttore si riserva di apportare modifiche tecniche senza preavviso. Prima di effettuare l'ordine consulta il costruttore o il rivenditore di fiducia. La tenda Cuneo 70 è destinata alla protezione solare dell'ambiente nel quale è posizionata. Ogni altro uso è da considerarsi improprio e quindi irragionevole. Il costruttore Marinello Tende non può essere considerato responsabile per eventuali danni causati da usi impropri, erronei ed irragionevoli.
La tenda Cuneo 70 deve essere installata perpendicolare rispetto al piano orizzontale. In presenza di pericolo di formazione di ghiaccio la tenda a rullo non dev'essere azionata. In caso di forte vento è necessario avvolgere la tenda.
Il telo può presentare delle pieghe che non influiscono sul corretto funzionamento della tenda.

The contained information in this catalogue may be imprecise because of possible technical modifications made after printing.
The manufacturer reserves the right to make technical modifications without advance notice. Before making orders consult your manufacturer or retailer trusted.
The roller blind Cuneo 70 is designed for the sun protection of the space where it is located. Every other use is inappropriate and dangerous. Marinello Tende cannot be considered responsible for possible damages caused by improper, erroneous and unreasonable use.
The roller blind Cuneo 70 must be installed perpendicular to the horizontal area.
When the danger of icing is present the roller blind cannot be operated, in case of strong wind it is necessary to wrap up the roller blind.
The fabric can have folds that do not influence the proper functioning of the roller blind.
